Valentine

I have a Valentine for you.
It's made with ribbon and lace.
I hope when you read, "I love you,"
It will put a smile on your face.

A LETTER FROM THE DIRECTOR

It has been a hard couple weeks with the weather. It is frustrating for us because all we want is to be open and teaching your children. Closing is always a difficult decision but we try to consider the safety of our students and staff first. We have families that travel great distance to be with us. The decisions are not easy.

1. Unexplained lethargy
2. Vomiting two or more times that day
3. Fever

Celebrating Children

4. Drainage from eyes/ears
5. Lice, ringworm (must be treated before a child may return)
6. Bacterial infections such as strep and has not completed 24 hours of antibiotic treatment
7. Three or more loose stools that day
8. Undiagnosed rash
9. Significant respiratory distress
10. Chicken pox unless the lesions are all crusted over
11. Requires more care than staff can provide without compromising health and safety of other children

The above symptoms have been established by the Department of Human Services with concern for the health and welfare of all children. Please help us keep illness to a minimum by being aware of these symptoms and keeping your child home if he/she comes down with any of them.

If the symptoms occur, parents will be notified to pick up their child from school. We have a cot and an area where the child may rest until his parent or other authorized person can pick him up.

Please inform the school if your child will not be present. Parents must notify C.D.L.C. within 24 hours when a child has contracted a contagious disease.
