Celebrating Children

You're a very special person,
And I want you to know.
How I loved to be your teacher,
How fast the weeks did go!
Please come back to visit me
As through the grades you grow,
Try hard to learn all that you can
There is so much to know!!
The one thing I try to teach you
To last your whole life through,
Is to know that you are special
Just because you are you!!!

A LETTER FROM THE DIRECTOR

I cannot believe how fast this year has been. I feel very lucky to have met so many wonderful children and families. The children have grown in so many ways this year. It has been an exciting year. We are happy to announce that we have successfully been accredited by National Association for the Education of Young Children (NAEYC) this week. I am very proud of staff and how hard they work too make this goal happen.

From everyone at CDLC is honored to have been part of your child education. We hope that your summer will be filled with family and laughter.

Marie
